Entry Deadline

The **On-Time Entry Deadline** is Thursday, August 31. To be considered On-Time, entry must be made online using ShoWorks by the end of the day on August 31. Late Entries will be accepted on ShoWorks between Friday, Sept. 1 – Sunday Sept. 3, 2023. **A Late Fee is required for each exhibitor** registering late. Note that the set fee is for the exhibitor and remains the same regardless of the number of entries by the exhibitor. Choose the appropriate Late Fee in the Other Fees section of ShoWorks - **\$25.00 for each Exhibitor; \$10.00 for Exhibitors entering rabbits ONLY.**

Entry Procedures

Registration:

All entries should be submitted online through ShoWorks and will **NOT** be accepted by mail or e-mail. A link to the entry portal is available on the ETSF website beginning July 17. Entry must be made online by the deadline or Late Fees will be assessed and the exhibitor will not be registered. A copy of the statement should be retained, Junior Show entries need to send a copy of the Online Entry Receipt with any required documentation (Participation Forms) to the East Texas State Fair.

Agriculture Teachers and County Agents may print individual forms available online for their students to gather the information for the group entry. However, these forms should **NOT** be mailed to the Fair Office.

Participation forms for FFA and 4-H members are required and should be mailed to the Fair Office. Exhibitors will not be allowed to participate unless these are received.

Payments:

Payments should be made online through ShoWorks using one of the options available. Entries should be made by the on-time deadline to prevent addition of Late Fees. Entries will not be processed without payment of all fees. All entries made after the On-Time deadline must include a Late Fee at checkout on ShoWorks.

The **exception is payment by clubs (FFA and 4-H) which may be made by check and mailed to the ETSF Office.** Checks mailed from Clubs must be postmarked no later than September 9. A copy of the On-line Entry Receipt should be included with the check.

No refund of entry fees will be made after the entry is received. Exhibitor is responsible for confirming that animal is eligible for entry and will not receive a refund if animal is determined to be ineligible.

A **\$35.00 "Returned Check Fee"** will be charged by the East Texas State Fair for all checks returned for whatever reason. Submitted entries will not be considered paid or entered until entry fees, returned check fee, and late fees, if applicable, are paid by cashier's check, money order or cash.

2023 East Texas State Fair Livestock Show General Rules

One of the fundamental objectives of the East Texas State Fair is to encourage the breeding of improved livestock. When an animal is judged, consideration is given to the symmetry, size, quality, form, evidence of constitution, vigor, productivity, and general breeding characteristics.

Application of Rules

The General Rules and Regulations apply to every breed show in the East Texas State Fair Livestock Show. Additional rules, specific to the Junior Show, Open Show, and their respective breed shows will be included in the information for those shows. The exhibitor is responsible for reading, knowing and following all of the rules, both general and specific, which apply to the show entered.

Grounds and Facilities

Liability Statement

All exhibitors will be under the direction and control of the East Texas State Fair management, but the East Texas State Fair will in no case be responsible for any loss, injury, or damage done to, occasioned by, or arising from any animal or article exhibited. The Exhibitor, fitter, and/or owner shall indemnify and hold harmless the East Texas State Fair against all legal or other proceedings in regard thereto, as well as damage or injury to any other person or property, caused by the exhibitor or exhibitor's animals, or arising in any way or connected with the exhibition of the animals. The exhibitor accepts full and complete responsibility for actions of his or her animals and property, and releases and holds harmless said sponsors from all legal liability, both personal and property including injury and/or death or any other damage whatsoever.

Schedule and Rules

Please review the schedule and rules for each show listed. It is important to remember that move-in and move-out times for shows will be strictly enforced. Pens and stalls will not be available to exhibitors until their posted times and exhibitors are expected to remove their animals from the grounds at the posted times for each department and breed as well. Please remember that we have more shows/breeds moving into your stalls when you move-out and pens/stalls have to be cleaned for the next shows to move-in. **Animals cannot stay on the grounds after their posted release time.** If you have animals that are released, and other animals that are still showing, **you will need to make arrangements** with another breeder or facility to house the animals that have been released. Any exception to this must be granted in writing by a Show official.

Feed and Bedding

Exhibitors will be required to furnish their own feed and bedding, which will be stored without causing obstruction of aisles, and is subject to relocation at the discretion of Livestock Show Staff. Shavings **may be purchased** on the grounds or **brought** with the exhibitor to the show.

Electric Fans

Electrical facilities will not permit use of fans driven by motors larger than ½ horsepower. Freestanding Fans are not allowed outside the feed aisle between the tie rails. Hanging fans can only be attached to the tie rails. **Fans are not permitted in or near walking aisles. PORT-A-COOLS** are not permitted.

Grooming Chutes

Grooming Chutes will not be allowed on the grounds during the Junior Heifer Show.

Grooming Chutes will be allowed in the barns or exhibit tents during open shows in designated areas.

Pets

Pets & Service Animals: Pets are **NOT** permitted on the Fairgrounds. Service animals can accompany people with disabilities in all areas of the Stock Show grounds where the public is normally allowed to go. A person with a service animal may be asked to remove the service animal from the premises if: 1) The dog is out of control and the handler does not take effective action to control it; or 2) The dog is not housebroken.

Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

Displays and Identification

Each exhibitor is requested to furnish his/her own signs or banners for use in the barns. These should be in good condition.

Exhibitors may display prize ribbons and banners won at the Fair and may display those won at other Fairs subject to the approval of Fair Management. The exhibitor should check with the Show Superintendent or the Livestock Office regarding display questions. Exhibitors are prohibited from using paint, tape, adhesives or any other materials that deface tie-walls or any property on the fairgrounds. Also, Exhibitors may not remove or re-arrange any stalls or portable panels without consent of the Fair Management. Exhibitors violating this policy will be invoiced for all cost associated with repairs and will be subject to disqualification from this show.

Area Privileges

No person other than the one holding the animal being exhibited will be allowed in the show ring during the time of the judging except the Breed Superintendent, Judge, Official Reporters, and Breed Representatives. This rule will be rigidly enforced.

Selling Privileges

No organization, association or individual may sell any item or service of any value on the grounds or inside any barn or building without first securing a Selling Privilege from the East Texas State Fair Management.

Exhibitor Code of Conduct

Any false representations, interference or improper conduct on the part of any Exhibitor will be dealt with by the East Texas State Fair Management, according to the equities of the case. The East Texas State Fair is a family friendly event. As such, an individual's conduct as an exhibitor or patron should be exemplary, and violators are subject to disqualification or removal from Show grounds.

Violations include, but are not limited to:

Disruptive or improper conduct

Public display of profanity of any sort

Violence of any sort

Providing alcohol to underage persons or providing a space for the consumption of alcohol by underage persons.

Possession, use, or distribution of alcohol by underage persons

Possession of an open alcohol container in a public area regardless of the individual's age

Excessive consumption of alcohol

Damages

All exhibits will be under the control and direction of the Breed Superintendents, but the Fair Management will, in no case, be responsible for any loss, injury, or damage, done or occasioned by or arising from an animal exhibited by him/her and shall indemnify the fair Management against legal or other proceeding in regard thereto.

Entering the Grounds

All livestock must enter the Fairgrounds from the Livestock Gate on the Southeast side of the Fairgrounds, where health papers, if required, must be presented to gain admittance to the grounds. Once on the fairgrounds, enter the cattle barn area from the front driveway and follow the drive around the cattle barns to the rear of the barns. While waiting in line, please do not leave your vehicle unattended. Be considerate of the traffic flow in parking your vehicle while waiting or unloading. When you reach the designated unloading area, unload your livestock and tack, and remove your vehicle as soon as possible by exiting through the South Back Gate. At this point a Security Officer will give you directions to the trailer parking lot. Trailers **MUST** go to the designated lot and may not remain on site or on public streets.

Early Releases

Any open show exhibitor wishing to be released early to go to another Fair or Livestock Show must make request to the East Texas State Fair and provide proof of entry to that show when making entry to the East Texas State Fair Livestock Show.

Cancellation of Shows

The Management of the East Texas State Fair reserves the right to cancel any livestock show if an inadequate number of entries are apparent after the official registration deadline. The East Texas State Fair requires 10 head to show per breed to merit a breed show. Any breed show falling under the required 10 head will be placed on probation for one year.

Livestock Requirements

Health Certificate

All Out-of-State animals are required to have a certificate of Veterinary Inspection executed by a licensed Veterinarian.

All In-State cattle (excluding steers) are required to have a certificate of Veterinary Inspection. Certificates will be checked prior to entering the East Texas State Fair Grounds.

Youth Market Goats (weathers) – No health papers required.

Boer Goats - All breeding goats must have a scrapie identification ear tag except registered goats with a registration tattoo and accompanied by registration papers listing the scrapie premise ID number.

Sheep – No health papers required.

Swine – No health papers required.

Steers – No health papers required.

All Animals will be subject to the Current Health requirements of the Texas Animal Health Commission and the East Texas State Fair.

Ownership Certification/Fitting

Exhibitors must own their animals at the beginning of and throughout the feeding period. Exhibitor must feed, care for and exhibit animals entered without any aid or assistance during the entire feeding period, except from CEA or AST or from other junior exhibitors and leaders within their county. Only registered breeding animals may be shown, and owner must produce a certificate of registration for all animals upon check in.

Animals, composing a competitive group need not to be named in application to enter but must be selected by the exhibitor. Sire of “Get of Sire” and Dam of “Produce of Dam” are to be named at the time of making entry.

Should a temporary sale or transfer of a show animal ever be discovered, the exhibitors and property owner may be barred from any and all future shows.

Nurse Cows

“Nurse Cows” will not be allowed on the Fairgrounds for the purpose of an entered animal to nurse during the entered animal(s) stay on the Fairgrounds. A “nurse Cow” is defined by the East Texas State Fair as a lactating cow that is not entered into a breed show. This does not apply to cows with calf at side.

Restraint/Unruly Animals

The East Texas State Fair Management and/or General Superintendents may remove or have removed any unruly animal from the Fairgrounds.

All animals must be docile enough to be handled by one attendant on foot during the unloading and loading process; in the show ring while being shown or at any other time while in competition or on exhibition on the East Texas State Fairgrounds. The East Texas State Fair prohibits the use of cable halters or pronged chains.

Sick Animals

Animals will be inspected for apparent disease. In case of sickness of any animal, the animal shall be removed when ordered by the Breed Superintendent to a separate enclosure, where the exhibitor may either direct treatment of the animal himself or employ the Fair Veterinarian, to whom payment for services and other expenses incurred will be made. The right is reserved by the Breed Superintendent to order the animal be removed from the grounds when this rule applies. To remove a sick animal, a written release will be required, signed by the East Texas Fair Veterinarian or Director of Livestock.

Exhibition Livestock

Anyone desiring to exhibit livestock not entered in official livestock shows must request and receive permission from the Fair Management. In no case will space be allowed for exhibition livestock until after the official entry deadline, unless special invitation has been extended, and then only if space is available.

NO exhibition livestock will be allowed during the junior shows.

All livestock must be halter broken, unless granted special permission. In those special instances, pens would be used for exhibition. Exhibition livestock must meet all livestock health requirements that are set by the Texas Animal Health Commission.

The fee for all exhibit livestock accepted and stalled in the livestock complex will be \$50.00 per head.

Owners of exhibition livestock should contact the Fair prior to the Fair to determine when livestock may begin arriving.

Only exhibition livestock from breeds for which there is no breed show scheduled at the Fair will be accepted as Exhibition animals except in the following circumstance. A regular exhibitor with cattle entered in competition in one of the breed shows may exhibit animals with his/her regular show animals in the barns, with **special permission** from East Texas State Fair Management.

Judging Rules

Judges

Judges must not award a prize to an unworthy exhibit. It is the intention of the East Texas State Fair Management that no premium or distinction of any kind shall be given any article or animal that does not deserve an award.

Judges shall report to the Superintendent any Exhibitor, who, in any way, whether in person or by agents, or employees, interferes with them during adjudication or shows any disrespect to them. In such instances, a proper apology from such Exhibitor shall be demanded, or he/she may be excluded from participation in the remainder of shows. Fair Management may withhold from the exhibitor any premiums due.

The decision of the judges shall be final in all cases, except where mistakes, fraud, misrepresentation or collusion not discovered at the time of the award is proven. In such cases, the Superintendent or referee he/she may appoint, may make decisions, or, on his/her approval. The case may be appealed to the Executive Committee, from whose decision there can be no appeal. The Fair Management reserves the right to withhold premiums in every case in which it shall appear to the Executive Committee that regulations have not been complied with, or that fraud or deception has been practiced or attempted. It is the intention that all livestock shall be shown in a good workable condition.

Protest

All protests must be in writing and accompanied by a deposit of \$50.00, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint or appeal, and must be delivered to the Superintendent immediately after the occasion resulting in the protest. Any protest of eligibility regarding age of an animal must be filed with the Superintendent prior to noon of the last day before judging.

Interpretations

The Fair reserves, to the Executive Committee, the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, or connected with or incident to the Fair.

The East Texas State Fair Management reserves the right to amend or add to these rules, as the Executive Committee in its judgment may determine.

Junior Show General Rules

Who May Enter

Junior Show Participation: Participation in the Junior Livestock Division is limited to Texas resident students, who are members of a Texas 4-H Club or FFA Chapter, and who have continuously owned and personally fed and cared for their animals under the direct supervision of a CEA or AST. Exhibitors must be enrolled in, and attending, public or private elementary or secondary schools in Texas. Students must be between the ages of 9 years of age or in the 3rd grade and no older than 18 years of age on or before Aug. 31, 2023. Each FFA Chapter and 4-H Club must be a member in good standing with its state and National affiliates

Each exhibitor will be limited to no more than two (2) animals per class. Extra animals in the class must be shown only by another qualified FFA or 4-H member.

Ownership

All Heifers and Dairy Cattle must be registered and must have been owned at least thirty days (30) by the **exhibitor** as evidenced by Registration Papers. Evidence of ownership is indicated by the date of sale on the registration certificate.

Any recognized Breed Registry by the United States Department of Agriculture and Texas Club Calf Association Registry papers will be accepted as proof of ownership and registration of the animal.

Only the Owners on the registration papers are eligible to exhibit any animal during the East Texas State Fair. The following are exceptions to this rule.

- (1) An exhibitor has more than one entry in a class
- (2) An exhibitor is sick (must present a signed statement from a doctor)
- (3) An exhibitor cannot be present because of approved school activities, TAAS test, etc.

When one of the above conditions exists, Fair Management may use their own discretion as to whether a substitute showman will be allowed.

Premiums

Premiums are paid in the Junior Livestock Show for the following: Beef Heifers, Dairy Cows, Goats, Lambs, Steers, and Swine.

Payouts are:	1st Place	Blue Ribbon	\$25.00
	2nd Place	Red Ribbon	\$20.00
	3rd Place	White Ribbon	\$15.00

Cash premiums will be paid at the conclusion of each breed show at the Livestock Office. Group and Pen Classes are treated as one animal. Premium payment is based on ribbon and voucher received. Only the owner/exhibitor listed on the show sheet may exchange vouchers for cash premiums. All exhibitors must present exhibitor number, ribbon and voucher to Livestock Officials at the time of receiving premiums. Parents, friends or siblings will not be allowed to exchange vouchers for the exhibitor. Personal identification may be required.

Additional premium awards may be offered in specific Junior breed shows by the respective organizations. Announcements regarding additional premiums will be included in the show rules.

Prize awards for Champions and Reserve Champions are subject to change.

Showmanship

All junior exhibitors will be able to participate in Showmanship in each species (except for Dairy and Rabbits). A \$5.00 fee will be collected at the gate. Showmanship class will be held before or after the show due to judges preference. ** Junior Heifer showmanship will be held on Saturday following the Junior Heifer breed shows that finish in that ring. Dairy and rabbit showmanship will have awards presented.

Showmanship classes are:

Junior Showmanship Class - Ages 9 – 11

Intermediate Showmanship Class - Ages 12-15

Senior Showmanship Class - Ages 16 – 18

All Junior, Intermediate, and Senior Showmanship awards are provided by the East Texas State Fair.

Sifting

Sifting procedures are in place for the purpose of excluding any animals which do not meet the minimum set of standards of the East Texas State Fair. Although Certificates of Veterinary Inspection are not required for breeding rabbits, steers, market swine, goats, and lambs, Junior Show Superintendents will be sifting for animals which exhibit symptoms suggestive of either possible communicable diseases or conditions which substantially compromise an animal's show-worthiness, even if not potentially communicable to other animals or humans. If, in the sole discretion of the Superintendent, an animal is disqualified from showing or directed to be removed from the fairgrounds, the decision of the Superintendent will be regarded as final, and in cases requiring animals to be removed, the animal must be removed immediately.

An exhibitor and/or parent may request a consultation with a licensed veterinarian in the event of a dispute; however, cost for the consultation is the responsibility of the exhibitor and/or parent, whether the veterinarian is on call for the East Texas State Fair or is independently chosen by the exhibitor and/or parent. If the decision of the Superintendent is overruled by the veterinarian, a written statement is required from the veterinarian following the examination as to the fitness of the animal in question.

Exhibitor Conduct

It will be the responsibility of the Agricultural Science Teachers, County Extension Agents, and Adult Supervisors to see that no improper conduct or horseplay occurs in the show barns. Violation of this rule can mean forfeiture of premium money.

Agricultural Science Teachers, County Extension Agents, and Adult Supervisors will be responsible for junior exhibitors under their supervision in maintaining their exhibit areas in a presentable condition at all times. Any individual or group which fails to meet sanitary requirements in maintaining their exhibits may forfeit all prize money. Keeping their animals and areas in top condition at all times is an important educational aspect of the show for the exhibitors, and is impressive to the thousands of spectators who visit the fair.

Unethically Fitted Livestock: The showing of unethically fitted livestock, the showing of livestock of any ineligible age for exhibition in the class entered, or the misrepresentation of breeding or milking status is prohibited. Unethical fitting will be deemed to consist of changing the normal conformation of any part of the animal's body or using drugs, including over the counter and/or extra-label, or mechanical devices to alter the physical makeup and/or performance of the animal. The East Texas State Fair Livestock Show maintains a **ZERO TOLERANCE POLICY** for unethically fitted livestock. This includes but is not limited to the following:

a. **PUMPING WILL NOT BE TOLERATED!**

- b. Animals that are in milk due to unnaturally induced lactation.
- c. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
- d. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
- e. Minimizing the effects of cramping by feeding or injecting drugs and depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.
- f. Blocking the nerves to prevent limping or switching of the tail.
- g. Striking the animal to cause swelling in a depressed area.
- h. Surgery or other practices performed to chance the natural contour or appearance of the animal's body, hide, hair or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming hooves.
- i. Insertion of foreign material under the skin.
- j. Changing the color of hair at any point, spot or area on the animal's body. Any grooming material that allows color to come off from any animal will not be allowed at the show.
- k. **The act of artificially filling animals internally, which would include stomach pumping, drench tubes or any other method per os (by esophagus).**
- l. **The use of alcoholic or carbonated beverages** in the feed or administered as a drench.
- m. The use of diuretics.
- n. Administration of a drug internally or externally. Animals under the care of a licensed veterinarian and/or taking any type of medication are ineligible.
- o. Cable halters or pronged chains are prohibited.

Those found violating this rule will forfeit all awards and premiums. Violators and their participating 4-H or FFA Chapter may be banned from participating in the East Texas State Fair for a minimum of 3 years in any division.

Stalling

Stall Space will be assigned by Show Officials as entries are received. **UPON ARRIVAL, THE EXHIBITOR MUST WAIT TO RECEIVE STALL ASSIGNMENT BEFORE PLACING ANIMALS.**

Lamb and Goat Exhibitors must provide their own grooming tables. A specific area for grooming tables will be provided. Refer to the rules for the specific species.

Tie-outs are available on a first come, first served basis and may not be reserved.

Tie-outs CAN NOT be marked until early arrival on Wednesday. All early marked spots will be removed before that Wednesday.

Qualifications of Bona Fide Exhibitor

1. Must be a current member in good standing of the Junior Beefmaster Breeders Association (JBBA).
2. Exhibitors must be a minimum of six years old on January 1st and under the age of twenty-one years on January 1st of the current year.
3. Each exhibitor should have continually and personally fed and cared for their animals under the direct supervision of a County Agent, Vocational Agricultural Instructor and/or their parents.
4. Entries must be exhibitor by the owner unless he or she owns two or more entries in the same class, whereupon another bona fide JBBA exhibitor may show one of the entries. If the entry is a pair, the cow must be exhibited by the owner.
5. Any JBBA exhibitor who is qualified entrant to show and cannot, due to illness or injury with official doctor's note, may have their entry shown by another bona fide JBBA exhibitor. Individual circumstances occurring during the show/event will be addressed by show officials.
6. All contestants shall be broken into 3 age divisions for contests.
 - a. Junior Division: Individuals who are under 10 years of age and younger on or before December 31 of the previous year.
 - b. Intermediate Division: Individuals that are between the ages of 11 and 14 on or before December 31 of the previous year.
 - c. Senior Division: Individuals that are 15 years of age on or before December 31 of the previous year and up to the maximum age limit stated in the JBBA Bylaws.
 - i. Article 1, Bylaws 1 states: "Junior members shall be elected to junior membership by the Board of Directors and shall be under the age of twenty-one (21) years on January 1st of the current year.

Qualifications of Animal

1. When requested, Official Interstate Health Certificates must accompany all cattle and must be presented to a representative of the show at the time the cattle arrive on the show premises. Usual state and interstate brucellosis and tuberculosis requirements will apply. Every animal must have an official health certificate verified by a licensed veterinarian within 30 days of the show and must meet state animal health commission requirements of the hosting state.
2. Original BBU Certificates of Breeding (not copies) on each animal shown, including any calf-at-side, must be presented to a representative of the show at the time of cattle check-in. Application for a BBU Certificate of Breeding on calves less than 30 days of age must be presented. Official scramble registration papers with appropriate show stamp must be presented at check-in.
3. All heifers and bulls must be registered with Beefmaster Breeders United (BBU) as a purebred and out of a BBU-Certified Purebred dam, Second Cross dam or as otherwise stated in the BBU Bylaws. Advancer and E6 heifers must be registered with Beefmaster Breeders United.
4. At show officials' discretion, the tattoo or brand will be checked on the top placing animals at the conclusion of each class and must match the permanent ID that appears on the original registration paper. It is the member's responsibility to ensure that the brand or tattoo is legible prior to arrival on the show grounds. Members will be disqualified if their animal does not have a matching tattoo or brand, or if the tattoo or brand is illegible. In the event of disqualification, the next placing animal with matching identification will advance. Calves that show on the side of the cow must have a permanent identification number.

5. All cattle must have been owned by the entrant a minimum of 60 days prior to the show. Evidence of ownership is indicated by the date of sale on the registration certificate.
6. JBBA members are allowed to have partnership animals with another JBBA member (animals owned by parent-youth or adult-youth combination are NOT eligible.) However, if JBBA members are exhibiting cattle in a show, the same exhibitor must show both the cow and calf if they choose to enter both animals in their own respected classes. (Example: Same JBBA member must show cow and either her heifer or bull calf in both classes if the JBBA members chooses to enter the calf as an individual.)
7. There is no limit to the number of heifers an exhibitor may enter.
8. Heifers that do not show the day of month of birth on their BBU Certificate of Breeding shall be considered to be born on the first day of that month.
9. All BBU registered animals must be shown with their hair coats lying downward and flat against their entire body. Hair trimming is permissible and must be done in those few areas such as the neck and portions of the top line of the animal which may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards or forwards on any part of the animal's body. No animals may have any foreign object(s) attached to it in any manner or have its natural color altered in a manner so as to change the conformation or appearance. An exhibitor who fails to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards, and points from the show. This applies to all National cattle shows.
10. Any heifer that, in the opinion of a designated BBU official, would be a detriment to the breed, shall be removed from the show, regardless of any prior classification. Examples would be animals exhibiting signs of low fertility, genetic or physical defects.
11. Any entry that is unruly and poses danger to other exhibitors, or if exhibitor loses control of their animal twice during the class, the animal may be dismissed from the show arena by the judge or arena director or designee.
12. To be eligible for Bred and Owned show awards, exhibitors must present an original Bred and Owned certificate along with original BBU registration papers at time of check-in. Bred and Owned certificates may be obtained by contacting the BBU office and providing the registration number. Joint ownership, when both members are the breeder on records, will be accepted.
 - a. Joint ownership of the dam is permitted; however, for offspring to qualify as a JBBA Bred & Owned animal, all owners of the dam must be JBBA members, except in the case of siblings where on sibling has become too old for JBBA membership, joint ownership is acceptable as long as the older sibling was a JBBA member and has maintained continuous uninterrupted membership in the BBU since expiration of their JBBA membership, as determined by the BBU Office.
13. All heifers, two years and older of the day of the show must be palpated safe in calf by a licensed veterinarian and so state on the health certificate, with the exception of heifers nursing their BBU registered calf-at-side (under 6 months of age), in which case the heifer may show open. Heifers that do not show the day of month on their BBU Certificate of Breeding shall be considered to be born of the first day of that month.
14. Nurse cows, recipient cows, retired show heifers with calves, etc., will not be allowed on the show grounds. The only animals allowed on the show grounds will be those entered in a class themselves.
15. Heifers two years and older on the day shows whose calf has died cannot be shown.
16. Classes will be determined by age after all entries are completed. Best efforts will be made to keep class size uniform.

**See Livestock Show Schedule for specific times for check-in and show.
Non-Terminal Show**

All entries and awards in this division will be subject to the General Rules and Regulations of The East Texas State Fair. Lambs not checked in or whose weight cards are not turned in at the designated time will be treated as a no-show.

All entries may be checked by livestock personnel upon arrival to determine health status.

NO hay or straw bedding material will be allowed in the pen area.

All lambs must be penned in the designated areas.

A minimum of four (5) breed classes for lamb exhibitors will be offered. Lambs may be whether or ewe lambs.

Any lamb which has had its natural musculature or weight altered by the use of injections or ingested material not conducive to the continued health of lambs or marketability of lamb carcasses will be sifted.

All lambs must be slick shorn from the knee and hock up at time of classifying. Lambs with excessive wool, over 1/4 inch, will be sifted.

No Top Notches in heads will be allowed.

Lambs must be creditable from the standpoint of types, quality, finish, and breed Characteristics. No painting, powdering or artificial coloring can be used on lambs.

After classifying, lambs will be divided into groups for each breed as nearly equal number as possible.

Exhibitors will weigh animals and turn in weight cards at the designated time. Animals **may be subject to a 5-pound weigh back** at the discretion of the Lamb Show officials.

Open Show General Rules

Upon request by an official of the Fair, all livestock exhibitors are required to produce for examination a Certificate of Registry, copy of certificate, or an extended pedigree prepared and certified by the Breed Association with which his or her animal is classified.

All entries must have appropriate health papers.

Stall Assignment

All livestock officially entered by the registration deadline will be allocated stall space by the General and/or Breed Superintendent. Exhibitors should contact Breed Superintendent upon arrival at the Fairgrounds to determine which space has been assigned each Exhibitor. When space is available, each exhibitor will be given two (2) stall spaces for tack or hospitality booth.

Each Breed Show will receive a Breed Association Courtesy Booth (2 stall spaces), complimentary of East Texas State Fair if space is available.

Livestock may **NOT** arrive before the designated arrival date and time without special permission by the Livestock Show Staff. Animals arriving early prevent proper cleaning of the stalls and barns.

All livestock shown in competition in the Open Shows, or on exhibit, must remain in their stalls each evening until 8:00 p.m.

No trucks will be allowed in the Livestock Barn area for loading tack or livestock until the posted release time.

****Any Exhibitor wishing to keep livestock on the grounds past their release time must submit a request and receive special permission before the respective Breed Show from the General Livestock Superintendent and Fair Management.****

Group Classes

Entry for Group Classes must be made by the entry deadline. All entries for a Group Class must be shown in their perspective single class. Animals to comprise a competitive group need not be named in application for entry, but exhibitors must indicate in which group class they expect to compete. No additional entry fee is required for group classes.

No premiums will be paid to Group Classes by the East Texas State Fair. However, additional premiums and /or awards are welcomed by breeders and/or associations for the purpose of awarding Group Classes.

Premiums

Premiums offered by the East Texas State Fair will be mailed within 2 weeks of the Livestock Show. The East Texas State Fair will provide premiums according to the following schedule:

1st Place - \$25.00; 2nd Place - \$20.00; 3rd Place - \$15.00; 4th Place - \$10.00

A class with fewer than two head will receive a maximum of 3rd place as the premium payout for that class.

Additional Premium Money from Associations and donations from other interested parties are welcomed. Information will be included with breed show rules if additional premium money is provided by the association.

ABBA requires at least 40 head for a Sanctioned Show
American Brahman Breeders Association
Official Show Classes:

Special Rules

The ABBA requires that everyone who exhibits cattle in an ABBA Show must be a member in good standing as either a Junior, Active or Show Member. Please review the ABBA Constitution and Rules to familiarize yourself with the membership levels along with their requirements.

1. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in association sponsored shows. The registration certificate for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.
2. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each Get-of -Sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry card of each animal entered.
3. Entries that have not complied with rules one (1) and two (2) will not be eligible to show, receive premium monies, or earn points in the association's Register of Renown.
4. Animals to be eligible to be shown in group classes must be entered and shown in individual classes.
5. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. **Include animal identification number (number brand) as a part of identification.** When entering the arena for judging, the handlers will line cattle up numerically in the same order.
6. Judges will be allowed to comment on placings in selected classes when conditions permit.
7. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances internally for cosmetic purposes, steroids, growth hormones or stimulants shall be prohibited. If to the satisfaction of the ABBA staff, officers, executive committee or board of directors an animal has had its natural conformation or structure altered or been administered steroids, growth hormones or stimulants; then the said animal shall be ruled ineligible to compete until such time the Show Committee and owner/owners have reviewed the case. Any violators, both owner & fitter will be in-eligible to exhibit cattle at ABBA Approved Shows for 5 years.
8. If any exhibitor/owner/showman interferes in any way with the judge or shows disrespect to him, or to the show in the ring, the exhibitor/owner/showman may be dismissed by the judge or show management from the ring. The management may withhold from each exhibitor/owner/showman any premium monies that may have been awarded or take other steps deemed desirable.
9. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of individual partners, said cattle, even

though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.

10. For females being shown in the three oldest classes (females calved Sept. 1, 2017 - Aug. 31, 2018 for Fall Shows; females calved Jan. 1, - Dec. 31, 2017 for Spring Shows), exhibitor must have a certificate of pregnancy no older than 30 days issued by a licensed veterinarian or certified technician to be presented to show officials at time of check-in or registration paper check. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. Females exhibited in the last class **MUST** have her nursing natural calf at side. The only exemption from this rule will be cows that have already weaned a calf and a registration certificate of the calf **MUST** be presented to the judge. The pregnancy certificate will be checked at the ABBA National, International & any other participating show.
11. ***All bulls will be shown with a nose ring or nose restraint with lead attached.*** For bulls being shown in the oldest class the exhibitor must have a seasonal fertility certificate issued by a licensed veterinarian or certified technician stating the bull can settle cows. This certificate must be available for inspection by the judge on request. The seasonal fertility certificate will be checked at the ABBA National, International & any other participating show.
12. This deals with the produce of dam classes and the get-of-sire class. All group classes must be held by a handler in the show arena to be placed. At the International, National and any other participating show, the Original Registration Certificate of Original Copy (Blue with COPY across it) of each animal entering the ring for the group classes must be presented to the Show Official for parent verification. In an attempt to accommodate the exhibitors, the registration certificates of animals being exhibited in the group classes will be checked in advance at a specified time. Two animals for Natural Produce, four head for Embryo Produce and six head for the Get of Sire classes can be checked allowing the exhibitor to make the final selections prior to the show. If an exhibitor does not want to check papers early they would then have to bring papers on each animal that will enter the ring, at class check-in.

Embryo Produce of Dam – Two animals from the above classes produced by one dam by embryo transfer either or both sexes may be represented. No ownership requirement.

Natural Produce of Dam – Two natural born animals produced by one dam from the above classes, either or both sexes may be represented. No ownership requirement.

Get-of-Sire – Four animals from at least two dams by one sire from the above individual classes, both sexes represented. No ownership requirement.
13. No exhibitor shall be permitted to show more than one produce or embryo produce-of-dam per dam.
14. Cows that are exhibited with calves at side must be in lactating stage. Calves must be the natural calf of the cow being exhibited and must not exceed 240 days of age on day of judging. The judge will be made aware by the ring steward for those cows whose calves are ineligible to show by this rule.
15. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.
16. Color Classification Rule effective with the 2019 ABBA International Show – Houston
For animals exhibited in ABBA approved shows, the following rules will apply:

- A. The ABBA Color Chart will serve as the official breed resources for identifying the proper hair coat of registered Brahman cattle (see attached or charts are available from ABBA).
 - B. In order to show in the Red Show, an animal must have a minimum of 3 Red ancestors in their 3-generation pedigree. An animal with less than 7 out of 14 Red ancestors in the 3-generation pedigree may not show until color classified.
 - C. Animals will be color classified by the ABBA Color Committee in order to compete at the International, National, Kick-Off Classic and All-American Shows. The Show Committee also has the right to color classify at any ABBA Approved Show unannounced.
 - D. The ABBA Color Committee shall consist of 3 primary members and 2 alternates, all with experience in the beef industry and with at least 2 of the members being ABBA Directors who are non-showing members. The Color Committee will be appointed by the ABBA President and will serve for the full show year.
 - E. Animals will be color classified by their predominant hair color based on the ABBA Color Chart.
 - F. Only if an animal is unable to be classified based upon the ABBA Color Chart, the animal's pedigree may be used to aid in color classification.
 - G. Once classified, the animal's paper will be stamped with the color classification and remain in that classification throughout its show career. Appeals can be sent to the Executive Committee within 30 days.
 - H. If any animal is reclassified by the Color Committee, the ABBA must provide corrected papers to the current owner of that animal within 30 days of the reclassification at the owner's expense.
 - I. Animals shown in group classes must show in the group class of the registered color of their sire for the Get-of Sire and the registered color of their dam for the Produce-of-Dam (ET & Natural).
 - J. Both the exhibitor and owner of an animal that is shown in the wrong color division after being color classified will be ineligible to show any animals for 13 months following the infraction. The animal in violation will be disqualified for its entire show career and will forfeit all Register of Renown points.
 - K. Any ABBA member or exhibitor has the right to protest the color classification of any animal at any ABBA Approved Show to the Show Committee in writing within 30 days. Any animals already stamped with a color classification will not be reclassified.
- 17. The owner of record of any registered animal entered in an ABBA approved shows and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.
 - 18. Beginning July 1, 2020 for shows to remain approved point shows by ABBA they must maintain a forty (40) head average for the previous two (2) years. Shows must also follow the Requirements of ABBA Approved Shows.

19. **ALL** animals **MUST** have a Birth Weight submitted to be eligible to show in ABBA approved shows.
20. The official ABBA rules & procedures governing showing & exhibiting of registered Brahman cattle supersede any rules printed in any show catalog.
21. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may be at the discretion of the Show Management and/or ABBA Officials be split by age as evenly as possible.
22. Any animal that exceeds the weight and measurement requirements at the International Brahman Show, National Brahman Show, All American National Junior Show or any other designated show where weights and measurements are taken will be in-eligible to show at any future ABBA Approved Shows until the next show that weights & measures are taken when they can requalify. Any animal that exceeds the parameters and is shown at an ABBA Approved Show before requalifying will be in-eligible to show their remaining career. Both the exhibitor and the owner of the previously disqualified animal that is shown before requalifying will be in-eligible to show animals forever.

- e. Market steers 16 months of age and not exceeding 30 months as of the day of show will be divided into classes of light, medium, and heavy by an ETSF representative.
7. **SHOWING OF ANIMALS:**
 - a. Exhibitors may have one person assist with exhibiting their animal. An assistant may be a parent, adult, sibling, or another junior exhibitor.
 - b. Exhibitors may NOT have an assistant in the showmanship class.
 - c. The exhibitors are to handle the showing, one show stick per animal and the use of the show stick is only to be done by the pre-junior/junior exhibitor. The assistant's role is for safety reasons only and is not allowed to assist with the setup of the cattle (ex. The assistant cannot take control of the show stick/halter to set up the animal or use the halter to lift and set the head.)
8. **SHOW HARNESS:**
 - a. All exhibitors will be required to wear a show number harness for each animal shown in a class to hold the number in plain sight.
9. **SHOWMANSHIP:**
 - a. Any exhibitor who shows unassisted may compete in this class.
 - b. Animal must be owned and entered by participant to show in this class.
10. **PREMIUMS:** Premiums offered by the East Texas State Fair will be mailed within 2 weeks of the Livestock Show. The East Texas State Fair will provide premiums according to the following schedule:
1st Place - \$25.00; 2nd Place - \$20.00; 3rd Place - \$15.00; 4th Place - \$10.00

A class with fewer than two head will receive a maximum of 3rd place as the premium payout for that class.

Cash Premiums, Ribbons and Rosettes awarded by East Texas State Fair

General Rules and Regulations

1. All entries must be registered with their respective registries. Unregistered cattle may not be entered. IMZA registered cattle identifications will have a pre-fix of T, H1, H2, H3, or Z, followed by their individual number.
2. Original registration papers or photocopy of each entry must be available for inspection during check-in prior to showing.
3. Proof of ownership of each entry shall be the name of the registration certificate unless ownership has changed within 90 days of the show and a transfer of ownership form is presented with the photocopy of the certificate. In that case, ownership shall be the name listed on the transfer form.
4. The actual handler of an animal entered may be the owner or anyone else designated as such by the owner.
5. An animal may be entered in only one age class or, if eligible, the Champion Challenge class. Proof of birth date shall be the birth date on the animal's registration certificate.
6. The base date for computing the age of the animal shall be the date of the show. If more than one show is scheduled at an event, the base date for computing the age of the animals for both shows shall be the date of the first show.
7. Health certificates may be required if specified in the show rules. When health certificates are not required, the show officials shall see that all animals brought to the show grounds are in apparent good health and free from noticeable disease. Show officials may deny entry if an animal does not appear in good health. There will be no refunds for animals deemed sick or unhealthy.
8. Show officials shall determine entry due dates.
9. Horned or dehorned animals are acceptable.
10. All cattle must be shown in their natural state except for trimming of the inner ear, genitalia, and whiskers. No body clipping is allowed. No paint, dye, chalk, or glitter may be used to modify appearance. Only clear polish may be used on hooves and horns. Tail switch cannot be embellished in any way. No additions to the switch is allowed. The alteration of physical features and appearance of any animal by cosmetic and/or surgical means are deemed unethical practices and will be grounds for disqualification.
11. All animals must show with a halter and attached lead rope.
12. Nose rings are not required for animal control. However, the judge or a show official has the right to have an animal removed and disqualified from showing if it is too disruptive or a danger to any other animal or person.
13. Animals will enter show ring in ascending order according to age, youngest to oldest.
14. Cattle over six months of age are required to have individual identification (microchip, tattoo, brand, eartag) corresponding with that stated on the registration certificate.
15. There are no minimum or maximum age restrictions.
16. All IMZA sanctioned shows must offer a Champion Challenge Class for the three class divisions (female, male, and steer)

Class Rules and Regulations

1. Female Classes shall include the Heifer Division, ages 0 to under 42 months and the Cow Division (females that have calved at any age).

2. Male Classes shall include the Bull Calf Division, ages 0 to under 24 months, and the Senior Bull Division, ages 24 months and older.
3. Steer Classes include all ages in one division.
4. Males only compete with males, females with females, and steers with steers.
5. Permanent Grand Champion (PGCH) cattle may only be shown in the Champion Challenge Classes and not in any ages classes.
6. The Champion Challenge Classes shall include the Grand Champions in each division and also the Permanent Grand Champions that have been entered.
7. The order in which females, males, and steers are shown shall be determined by the show superintendent and the judge. The individual class numbers shall remain as listed below.
8. Master Champion (MCH) cattle can only be shown at the National Shows and vie for National Champion in the Champion Challenge class.
9. Each individual show host shall have the option of adding Group or Fun Classes such as Showmanship, Color, Breed Character, Pairs, or Costume, etc.. Group Classes shall begin with class 40. Entries in any group classes must also show in their respective ages classes.
10. A nursing cow may have her calf accompany her while she is being shown as long as the calf is also handled with a lead.
