Quality Counts FAQ - Students/Parents

Planning to show LIVESTOCK at a TX Major?

As a reminder, all exhibitors are required to provide a verified QC number at the time of major livestock show entry. Again – this new process/exam is NOT required for everyone. Only those users who are new or are moving to the next grade level course (junior: 3-5th grade, intermediate: 6-8th, senior: 9-12th) are required to take Quality Counts this year.

Questions email
cassie.ferguson@ag.tamu.edu

Registration/Access

- How do I access the new Quality Counts system?
 - The new Quality Counts program can be found at: <https://agrilifelearn.tamu.edu/s/product/quality-counts/01t4x00002ciQSAAY>

Helpful Hint: Follow the Enrollment Instructions!

- Can I use the same email address as my sibling to take Quality Counts?
 - No, each individual exhibitor must have their own email address to use for registration.
- I took Quality Counts previously (last year, for example). Do I have to take it again?
 - If you are planning to show at Spring major livestock shows (or other county/local shows that indicate), Quality Counts verification is required.

Helpful Hint: Exhibitors must be verified once as a junior (grades 3-5), once as an intermediate (grades 6-8) and once as a senior (grades 9-12).

- I will probably only show through 4-H (or FFA), but I am also a member of the other organization, which should I select?
 - Select both 4-H and FFA, as applicable. It is best to have both selected just in case! Keep in mind, 4-H affiliation is by county, not individual clubs.

Quality Counts Verification

- Which shows require Quality Counts verification?
 - Verification on the Quality Counts system is required for all major livestock show entries. Additionally, county and local shows may require Quality Counts numbers. Please refer to each show's rules to determine if Quality Counts verification is required for show or contest participation.
- I did not get a certificate to print when I finished Quality Counts. How do I prove I am verified?
 - Quality Counts no longer provides a certificate to print. You received an email confirmation from texasyouthlivestock@ag.tamu.edu upon your completion. This can be kept for your records to confirm verification.
- I did not receive the confirmation email. What do I do?
 - The emails are automatic and cannot be resent. Please check your spam folders. You may contact your County Extension Agent or Ag Science Teacher for the number if you did not receive the email.

VOLUNTEERS NEEDED

6th Grade & Up Youth & Adults are NEEDED to help Volunteer or Lead a Workshop! Contact Ms. Cassie!

Clover Kids may PARTICIPATE in 4-H Projects such as:

Food & Nutrition Talent Showcase
Photography Fashion & Interior Design
Community Service Public Speaking
LCYLS PeeWee Shows 4-H Club Meetings
So MANY MORE Educational Opportunities!

Clover Kids (K-2nd Graders) may PARTICIPATE in some contests, but will ONLY receive a participation award.

Great way to introduce them to 4-H!
