### **Mission Statement**

The mission of Joseph D. Bay Memorial Scholarship Fund is to empower students of Leon County who choose a career in the technology or trade field. To ensure each student achieves their goals which will not only help our community, but society as a whole, to move into the future. Our mission continues so that each student's academic success, technical and trade education mastery, will provide a lifetime of learning.

*“Confidence, Courage, Change are essential when moving forward  
and meeting your potential”*
